

Transfer Agreement with LA ORT COLLEGE

United States University (USU) is a regionally accredited institution of higher learning offering degrees in information technology, business, education, health sciences and nursing with a mission to serve underserved groups through campus and online courses that are affordable, accessible, and relevant.

LA ORT College is a nationally accredited institution offering diplomas and associate degrees in the health care, business, and computer technology fields. LA ORT College is committed in providing an educational environment that enhances students' ability to further their education for employment and career advancement.

Both institutions acknowledge that each are institutions committed to providing educational opportunities and services. Each institution shall not discriminate and is dedicated to serving students from all walks of life, regardless of race, ethnicity, sex, sexual orientation, disability, color, age, national origin, medical disabilities/conditions (as defined by law) or any basis prohibited by law.

United States University (USU) has entered into a Transfer Agreement with LA ORT College. This document shall be effective December 2, 2019.

Either party to the agreement may terminate this agreement at the close of any school year (June 30) by proper written notice delivered to the Articulation Officer at USU or LA ORT College school official. This agreement shall remain in force for one (1) year wherein it will be reviewed for renewal every two (2) years and/or upon significant changes to either curriculum. This review may include review of program or course learning outcomes.

Under the following terms, USU will accept LA ORT College graduates with an associate's degree for transfer into one of USU's baccalaureate programs. All earned credits for the programs will be accepted as a block transfer.

- a) Completed degree with a Grade Point Average of 2.0 or above ("C" grade or better for each course);
- b) Satisfy all institutional general admissions and program specific admission requirements;

To obtain a baccalaureate degree at United States University students are required to complete the courses outlined (or their approved equivalent) below, including any prerequisites. A minimum of 30 credits must be completed at USU in order to confer the Bachelor's degree with a minimum total semester credit hours equal to 120.

Applicants with an Associate of Applied Science in Medical Office Management, Medical and Clinical Assisting or Pharmacy Technology Administration to USU's Bachelor of Science in Health Sciences
