

**Memorandum of Understanding (MOU) with
Westcott Courses**

United States University (USU) is a regionally accredited institution of higher learning offering degrees in information technology, business, education, health sciences and nursing with a mission to serve underserved groups through campus and online courses that are affordable, accessible, and relevant.

Westcott Courses is a non-traditional educational institution committed to providing high quality and affordable education specialized in math courses. Westcott Courses provides education and training in college-level general education courses in English, psychology, mathematics and sciences.

Both institutions acknowledge that each are institutions committed to providing educational opportunities and services. Each institution shall not discriminate and is dedicated to serving students from all walks of life, regardless of race, ethnicity, sex, sexual orientation, disability, color, age, national origin, medical disabilities/conditions (as defined by law) or any basis prohibited by law.

United States University (USU) has entered into a Memorandum of Understanding (MOU) with Westcott Courses. This document shall be effective June 1, 2020.

Either party to the agreement may terminate this agreement at the close of any school year (June 30) by proper written notice delivered to the Articulation Officer at USU or Westcott Courses President. This agreement shall remain in force for one (1) year wherein it will be reviewed for renewal every two (2) years and/or upon significant changes to either curriculum. This review may include review of program or course learning outcomes.

Under the following terms, USU will accept Westcott Courses courses completed for credit via Brandman University into one of USU’s baccalaureate programs. Recommended courses are outlined within this document.

- a) Completed courses with a “C” grade or better for each course;
- b) Satisfy all institutional general admissions and program specific admission requirements, if applicable;

To obtain a baccalaureate degree at United States University students are required to complete the courses outlined (or their approved equivalent) within the University catalog, including any prerequisites. A minimum of 30 credits must be completed at USU in order to confer the Bachelor’s degree with a minimum total semester credit hours equal to 120.
