

State Authorization Disclosures

United States Department of Education (34 CFR § 668.43)

State Authorization Information

United States University (USU) is accredited by WASC Senior College and University Commission (WSCUC) and approved by the California Bureau for Private Postsecondary Education. California does not participate in NC-SARA. As a result, the university makes every effort to acquire and maintain authorization to operate from all states and territories within the U.S. as required by the U.S. Department of Education under 34 CFR § 668.43. USU does not enroll students residing in a state where programs have not received approval. If permitted, USU may enroll in states where approval is pending. State authorizations are on file with the Office of Accreditation, Regulatory Compliance and Institutional Effectiveness and updated annually or as required.

The information contained in this disclosure pertains to the following programs except where otherwise noted:
