

Getting started with 12twenty

We are excited to offer a set of recruitment tools powered by 12Twenty, to make it easy to connect your opportunities and brand with United States University's top talent!

12Twenty is an online career management system for employers to connect directly with students through career opportunities, events, virtual workshops, and share related resources.

As a USU employer partner, you have access to 12Twenty for free. The 12Twenty user interface is easily accessible and compatible with any device: phone, tablet, and computer.

1

Navigate to usuniversity.12twenty.com/hire

2

Sign up for a new account (it's free!)

3

Build your employer/company profile

4

Engage with USU students through:

- Posting your open positions
- Posting in-person or online events
- Hosting employer info-sessions
- Registering for upcoming career fairs
- and more!
